The DaV

FROM THE CENTER SEAT

I heard that the last meeting was a rounding success. I also heard that everyone had a good time with the DaVinci constitution and the "errors" it contained. Some of them were quite good I have to admit! Anyway, I plan to make the necessary corrections and present it to the membership for ratification at the next meeting. Please make sure to attend.

I hope everyone liked our new meeting location.. It was a nice gesture by Gordon to allow the DaVinci to meet at his store. Now we can do some of the things we could not do at the library. I plan to bring in some items to be auctioned off so bring

Although not a convention, this next bit of information is VERY exciting for you Deep Space Nine fans. Avery Brooks (Captain Sisko) will be appearing in Macon on the 24th of June from 5:00 to 7:00 P.M. at the Museum of Arts and Sciences in Macon. As far as I know he will be signing autographs!! Avery will be appearing in conjunction with the museum's presentation of "Orion Rendezvous: A Star Trek Voyage of Discovery". I spoke at length with a representative of the museum and the DaVInci may be able to help the museum run the show. Unfortunately, the 24th is a weekday (Monday). If you have never seen Avery Brooks you will be missing something really wonderful. I will be in regular contact with the museum and will fill you in on any information I may have learned.
