UPCOMING EVENTS

**** 21 September, Night Out/Membership Meeting, CiCi's Pizza, 6:30 pm**

FROM THE CENTER SEAT

I have two things that need to be brought to your attention.

First, we WILL be having a meeting this month. It will be at CiCi's Pizza on Bradley Park Drive at 6:30 PM on 21 September, 2020. Please respond if you can make it so that I know how many will be coming.

Second, there has been a new policy that has been implemented at SFI Headquarters. This is in response to new regulations from the EU regarding the security of private information.

There are two new tests at the academy pertaining to the new policy. They are now required for ALL CO's and XO's. While it is not required, I would like all staff officers to pass these tests.

There will be several changes made at the local level:

- All photos on the website need to be removed ASAP.
- I have created a google group, USSDaVinci@googlegroups.com. Invitations will be sent out in the next few days. If you have a gmail.com email address, you can use it to join the group. If you do not have one then you can join with a non-google address (I think).

Once everybody has been invited and joined the group, ALL e-mail correspondence will be through the group.

Until the group is started, ALL e-mails that need to be sent to more than one member. ALL addresses should be listed in the BCC field.

All staff members should purge any private member information from their records that is not required by their position. Some examples of what can be retained:

- Publication Officer can retain postal address.
- Communication Officer can retain phone numbers.
- All other staff officers can retain ONLY that information that is required to fulfill their position.

Until I receive written permission from each member regarding what info of theirs can be released, NO personal information will be released in ANY form.

We are still accepting applications for the XO and Operations Officer positions.

Joe Perry, Captain USS DaVinci
